Step 3 – Adding Details of Child/Children for Account Registration

4. Enter your child's BC/NRIC or FIN. Tap on 'Add More' to add additional child*. Click 'Next' to proceed.
5. You will see the following message* if you have successfully performed the 'Add Child' function. Tap on 'Continue' to proceed.
6. Account registration is now completed. Tap on 'Get Started' to start using the app.

** If you do not wish to 'add' additional children at this stage, you can still do so in the app after completing the account registration.*

** In the example above, 'SN' refers to the first letter of the first two words of your child's name, e.g. Sally Ng. You can replace 'SN' with an uploaded photograph of your child.*
