

Android Users:

From Cam Scanner to submitting assignment onto Google Classroom

Step 1: Select Docs

Step 2: Select multiple photos

Step 3: Take photos of the work to submit.

Step 4: Click on this once you are done taking photos of the work.

← Capture

Step 5: Adjust the boundaries of the photo

Step 6: Click this to proceed

A screenshot of a mobile application interface for creating a new document. At the top, there is a dark blue header bar with a white back arrow on the left and a green 'OK' button on the right. Below the header, the text 'Doc Title' is followed by a text input field containing 'New Doc 04-07-2020 19.23.46'. Below the input field is a grid of document type buttons: Receipt, Card, Contract, Bill, Personal, Work, Tax, Insurance, Certificate, and Picture. At the bottom of the screen, there is a 'Save to' section with a folder icon and the text 'All docs', and a 'Choose another location' link. A red circle highlights the 'OK' button, and another red circle highlights the text input field. Red arrows point from these circles to external text boxes.

← OK

Doc Title

New Doc 04-07-2020 19.23.46

Receipt Card Contract Bill Personal
