

2 January 2026

Dear Parents/Guardians of Secondary 1 Students,

WELCOME TO TERM 1 2026

1. On behalf of the school and staff, we extend a very warm welcome to you in 2026! We hope that you have spent a meaningful and restful year-end holiday with your teen.
2. In 2025, we launched our refreshed strategic plan to further enhance the distinctiveness of the Bowen Experience and take us into the future of education. This includes providing active learning experiences enabled by technology, promoting interdisciplinary thinking, and activating student voice and agency.
3. To learn well, students will also need to be well. In support of students' holistic growth and well-being, MOE has introduced [enhanced measures to promote healthier screen use in students](#). These reinforce existing school policies, such as "Disconnect to Connect". From 2026, Bowenians can also look forward to additional well-being support measures, namely, refreshed and better-equipped classroom environments, portable personal fans for every student (fully sponsored by the school), and a later reporting day on Wednesday. More enhancements, such as an air-conditioned hall, are in the works.
4. As we embark on the new school year, we would like to provide you with key updates for Term 1 for our Sec 1 students.

A. First Week of School and Update on Health Matters

5. To ease your teen into secondary school, please take note that the reporting and dismissal timings for your teen during Sec 1 Orientation (Fri 2 Jan – Tue 6 Jan) will be as follows:

| Time | Fri 2 Jan | Mon 5 Jan | Tue 6 Jan |
|----------------|-----------|-----------|-----------|
| Reporting Time | 8.50am | 7.25am | 7.25am |
| Dismissal Time | | 12.30pm | |

The school continues to prioritise student health and remains vigilant in checking in on student well-being. Your support is also crucial towards keeping Bowen a safe environment for students. Please remind your teen to practice good personal hygiene (e.g. washing/sanitising hands) and exercise personal and social responsibility. While mask-wearing is no longer required in a school setting, it remains an effective way to minimise the risk of infectious disease transmission. Students who prefer wearing masks are welcome to continue doing so.

6. If your teen is unwell, please ensure he/she stays at home and seeks medical attention if necessary and inform his/her Form Teachers (FTs). If your teen is recovering from respiratory-related illness, please encourage him/her to exercise social responsibility (e.g. by wearing a mask, minimising social interactions) to help prevent any infectious disease outbreak in schools. In the event your teen has to miss school, his/her learning will be supported. FTs will assign a buddy to update your teen on lessons and collect his/her learning materials. Please encourage your teen to be proactive in finding out on what he/she has missed from his/her buddy.

B. Back Gate Access for Secondary 1 Students

7. Please take note of the following gate access arrangements for Secondary 1 students at the start of the school year:

- For Term 1 Week 0 and Week 1, **Fri 2 Jan to Fri 9 Jan**, all Secondary 1 students may only enter and leave the school via the main school gate at Lorong Napiri.
From **Mon 5 Jan to Wed 7 Jan**, in the event of wet weather, a staff member will be stationed at the back gate to facilitate access 30 minutes before reporting time and during dismissal.
- From Term 1 Week 2 **Mon 12 Jan**, students will be able to enter the school via the back gate along Hougang Ave 2 from 6.30am to 7.29am and use the back gate during dismissal as well.

This arrangement is necessary as students' EZ Link cards need to be programmed for back gate access which we will strive to complete by the end of Week 1.

We appreciate your understanding. If you have any questions, please feel free to contact the General Office at 6385 9466.

C. Secondary 1 Form Teachers

8. To forge stronger school-home partnerships, we are pleased to introduce our team of Sec 1 FTs and share their email contacts below. If you wish to contact FTs by telephone, you may call the school General Office (6385 9466) and request for their extension number.

E. Bowen FIESTA (Start of Year) 2026

12. Our annual start of year **Bowen FIESTA** (Fun, Interactive, Educational and Structured Activities) will be conducted in Week 1. Bowen FIESTA for Sec 1 students will comprise:

Sec 1 Start Right Camp

The **3D2N school-based camp** will start from **Wed 7 Jan to Fri 9 Jan**. The camp will include two days of overnight stay in school.

The objectives of the Sec 1 Start Right Camp are as follows:

1. To ease the transition for our Sec 1 students by fostering strong peer relationships and teacher-student relationships, and to promote positive school/class culture.
2. Inculcate school values, instil a sense of belonging to the school, and provide experiential opportunities for cohort bonding.
3. Introduce and develop core skills and competencies through basic outdoor activities such as simple outdoor cooking, mini expedition, low elements and team building activities with an emphasis on having a growth mindset and inclusivity.

Parents/ Guardians are invited to join us for the campfire night on **Thu 8 Jan at 8pm** at the school parade square / school hall (in the event of wet weather). Kindly note that dinner is only provided for students. As parking will not be available within school premises, visitors who are driving are advised to park their vehicles at the public car park along Hougang Avenue 8 (HG41) beside the school.

As there are limited seats at the Parade Square / school hall for the campfire, each student should only have up to two family members in attendance. To allow the students to fully enjoy and focus on their activities, parents are kindly requested to remain at the designated area during the session.

Please refer to Annex A for the camp programme, packing list and other camp related matters.

13. A Consolidated Notification on Term 1 activities/programmes was sent to you via Parents Gateway (PG) on **Tue 30 Dec**. Please submit your consent via PG by **Mon 5 Jan**. We seek your understanding that your teen may not be able to participate in the abovementioned activities if we do not receive the consent by the given date.

F. 2026 Home-based Learning

14. Since 2021, secondary schools have embarked on Blended Learning (BL), which is a mix of home-based and in-school activities that leverage on both online and offline approaches to learning. The objective of BL is to nurture self-directed, independent and intrinsically motivated learners.

In Bowen, the Blended Learning experience includes a student-initiated learning component called *BowenExplore!* on Home-Based Learning (HBL) Days where students explore their interests and passions and learn beyond the formal curriculum. Many students have found it a meaningful learning experience.

This year, the school will continue to have regular HBL days starting **Wed 11 Feb**. Please refer to the table below for the HBL schedule for 2026. An Info-Sheet with more details on HBL will be sent via PG at a later date.

G. Assessment and Criteria for Progression

15. In recent years, MOE has introduced several policy changes under the Learn for Life movement to nurture our students to be confident and resilient learners. Since 2023, all schools have removed mid-year examinations for all levels as part of ongoing efforts to promote the joy of learning in our students. Sec 1 will have Term Assessments (TA) in Term 1 to 3 and End-of-Year Examinations in Term 4. TAs will take the form of either Pen-and-Paper (PP) tests or Alternative Assessments (AA).

16. More information on assessment matters will be sent to parents/guardians via PG at a later date. Information on all academic matters including assessment will also be available in the e-Student Handbook (see Section I below).

17. Under Full Subject-Based Banding, all Sec 1 students will generally progress to Sec 2. Where applicable, teachers will check in with students and parents to discuss the subject levels that best suit the student going forward. This can include offering subjects at a more/less demanding level, based on the student's interests and learning progress.

H. Updates on School Attire and School Timing

18. Please refer to the updated guidelines below for the school's dress code and reporting time for the various days of the week.

19. For more information on school attire (e.g. visual representation on the School Attire guidelines), please refer to the 2026 e-Student Handbook or "School Matters" section on the school website.

20. To better support student well-being, Bowenians can report to school by 8.00am every Wednesday, from Term 1 Week 2 (14 Jan) onwards. We seek your understanding that students may be required to report earlier on selected Wednesdays with planned special activities, e.g. on 7 Jan, Sec 1 students will report at 8.25am for their Sec 1 Start Right Camp.

I. e-Student Handbook

21. All students will receive the 2026 e-Student Handbook in January via their Student ICON emails. The Handbook will include important information such as school rules, the school calendar, curriculum hours, and progression criteria. To help our new Bowenians start the new school year well, teachers will also introduce them to READY BE learning dispositions and GRACE protocols.

J. Tightened National Guidelines for Use of Smartphones/smartwatches in Secondary Schools

22. As part of Grow Well SG launched in Jan 2025, MOE has introduced enhanced measures in secondary schools to help students cultivate healthier screen use habits and better support student well-being in the digital age. Responsible use of smartphones and other digital devices (e.g. cameras, smartwatches, etc.) is expected of all students both in school and out of school. With the availability of PLDs, students will not need their smartphones/smartwatches for learning or accessing online learning materials. Hence, during curriculum hours (including recess, lunch breaks, CCAs, after-school programmes, enrichment programmes, extra/remediation lessons and learning journeys in general) all students are required to lock their smartphones/smartwatches in their personal lockers. Students are allowed to retrieve their smartphones/smartwatches from the lockers only after curriculum hours.

Use of smartphones is allowed only:

- During lessons/activities, when specifically required by teachers for teaching and learning; and
- End of curriculum time only at the foyer for communication with parents.

23. Given the ubiquitous nature of technology, we hope that this practice will encourage our students to develop self-regulation in using technology wisely, “Disconnect to Connect” with their peers, reduce screen time and digital distractions, as well as prevent damage to, loss or theft of their devices. It will also allow them to better leverage their PLDs as the main tool for learning without distractions from social media, game notifications and chats during curriculum time.

24. The school will be reminding students on the tightened national guidelines and we believe that our students will be able to abide by them. However, there may be consequences (e.g. confiscation of smartphones/smartwatches) should students be found flouting the rules.

25. The school seeks parents/guardians' strong support to help our students to use technology responsibly and appropriately. Should you need to contact your teen during curriculum hours due to any urgent matters, please contact the General Office at 6385 9466.

K. School Attendance and Student Absence feature on Parents Gateway (PG)

26. Attendance at school and school-related activities (e.g. CCA, Sports Day, enrichment days, etc) is compulsory to ensure students' holistic development and continuity of learning. Students who are absent must submit a valid medical certificate (MC) or a letter from parents with valid reasons to the relevant teacher(s) immediately upon their return to school after their absence.

27. To ensure regular attendance, parents/guardians are encouraged to excuse their teens from school through parent's/guardian's letters only for valid reasons such as unforeseen family circumstances. Thus, the school will only accept up to 5 letters per semester. If the student is unwell, we advise them to seek medical attention and be excused from school through a MC.

28. Students should not be travelling overseas during term time unless due to extenuating reason(s). On-going assessments may be impacted if student is absent from school without valid reason (e.g. no MC). For information on “School Terms and Holidays for 2026”, please visit
<https://www.moe.gov.sg/news/press-releases/20250730-school-terms-and-holidays-for-2026>
29. Parents/guardians (i.e. primary contact person) will receive a notification via Parents Gateway (PG) or SMS (for parents/guardians not onboard PG) by **10.00am** if your teen is absent from school.
30. We are also pleased to share that the new **Student Absence feature** on PG will be made available to our school in **Jan 2026**. With this feature, you will be able to submit reasons for your teen’s absence, and attach medical certificates and documents, directly through the PG app. For more information (i.e. user guide and FAQs), please refer to the PG message on this new feature sent on **Tue 30 Dec**.
31. Should you need to verify your teen’s attendance, please contact the General Office or his/her FTs at 6385 9466.

L. Student Details Form

32. A Student Details Form (SDF) will be sent to parents/guardians via PG. Please confirm that the information is up-to-date and respond online by **Fri 23 Jan**. For parents/guardians not onboard PG, a hardcopy will be passed to you through your teen for verification. Should there be any changes, please update the form (indicate in red ink) and return it to FTs through your teen. As the form contains sensitive information, please remind your teen to keep the form safe and hand it to his/her FTs as soon as possible.

M. Personal Learning Device (PLD)

33. Every secondary school student will own a school-prescribed Personal Learning Device (PLD). The PLD will be used together with the national e-learning platform – the Singapore Student Learning Space (SLS) – as well as other educational technology to personalise and enhance students’ learning. This will also enable students to acquire digital skills and apply these skills as they navigate an increasingly digitalised world.

A separate letter will be sent to all Sec 1 parents on **Mon 12 Jan** via PG with regards to the purchase of PLDs. For details on the type of device, payment and financial assistance please refer to the “Parental Consent for the Purchase of Personal Learning Device (“PLD”)” that will be sent to you.

We seek all parents’/guardians’ support to submit your consent by **Tue 20 Jan** so that the school will be able to proceed with the purchasing process.
