

23 January 2025

Dear Parents/Guardians,

## **WEIGHTED ASSESSMENT AT BOWEN SECONDARY – SECONDARY 2**

1. Aligned with MOE's Learning for Life movement to provide more time for deep learning, reduce overemphasis on academic results and promote student well-being, Bowen Secondary adopts an assessment framework that balances alternative and traditional modes of assessment.
2. To further realise the aims of Learning for Life, please note that with effect from 2025, there will be adjustments to how Term Assessments are carried out in Bowen Secondary. Please see below for key details:
  - In each term, students' learning in a subject will continue to be assessed through either Alternative Assessments (AAs) or Pen and Paper tests (PPs), but not both. For example, a student offering 7 subjects will have a mix of 7 AAs or PPs in total during each term. About 3-5 subjects will be assessed through AAs while the rest will be assessed through PPs.
  - **Pen and Paper (PPs)** tests comprise written assessments that are more aligned with examination requirements. These help students to better understand and work towards established national standards. From 2025, all termly PPs will be conducted during curriculum time (i.e. a timetabled lesson for the relevant subject, unless otherwise stated). The duration of each PP will typically be 45 min, with minor differences based on individual subject requirements.
  - **Alternative Assessments (AAs)** allow students to demonstrate their learning more creatively, holistically and are distinct in form from pen and paper tests. Types of AAs include practical tasks / portfolios / class presentations, etc. The deadlines for various AAs will be spread out over Weeks 5 to 8 (Term 1) or Weeks 3 to 7 (Terms 2 and 3) to help students manage their workload/time. AAs in some selected subjects may be due in other weeks, based on the scope/sequence of learning. Teachers will continue to brief students on expectations and success criteria and provide details through a 'Task Sheet' issued 2-3 weeks before the submission deadline.
  - Please refer to the **Annex** included at the end of this letter for the TA Schedule. To enable students to take ownership of their learning, subject teachers will communicate submission dates for AAs, assessment dates for PPs, rubrics (where applicable) and coverage of each assessment directly with students via channels such as Google Classroom and Class Notice Boards.
  - To help students manage their workload, there will be no more than 2 Term Assessments conducted for students per day. This includes AA deadlines, PP tests and other school-wide assessments (e.g. oral examinations).

### 3. Assessment Structure and Weightings

- Please note that the weightings of the TAs and exams are as follows:

Subjects	TA1 Term 1 Weeks 5-8	TA2 Term 2 Weeks 3-7	TA3 Term 3 Weeks 3-7	EYE Term 4 Weeks 3-5	Overall
<b>All Examinable Subjects</b> <i>(Except for FCE, D&amp;T and Art. Please see Para 4 for details)</i>	15%	15%	15%	55%	100%
<b>Art</b>	15%	15%	15%	CW: 55%	100%

### 4. Modular Subjects

- To help Lower Secondary students manage curriculum demands and for optimal use of resources (e.g. learning spaces), the school adopts a modular approach for Design & Technology (D&T) and Food & Consumer Education (FCE). Under this approach, students will focus on a specific subject for one semester before switching to the other subject in the next semester.
- The assessment for both D&T and FCE consists of 2 Term Assessments (15% each) + Coursework (70%). For the subject taken in Semester 1, the final grade will be reflected under TA2; for the subject taken in Semester 2, the final grade will be reflected under EYE.

Subjects	Term 1 (TA1)	Term 2 (TA2)	Term 3 (TA3)	Term 4 (EYE)	Overall
<b>D&amp;T</b>			TA: 15%	TA: 15% CW: 70%	100%
<b>FCE</b>	TA: 15%	TA: 15% CW: 70%			100%

- We strongly advise all students to take TAs seriously as these will provide important information about their subject mastery and learning gaps. Any absences **must be** supported by a Medical Certificate or reason deemed valid by the school.

### 6. Progression to Next Level of Study

The progression of students from one level of learning to the next is based on the year-long assessment of whether students have attained the required foundation to cope with and benefit from the next level. Students will need to meet the following academic requirements to promote to Sec 3 level:

- Pass EL and 2 subjects OR**
- At least half the total number of examinable subjects offered**

Students who do not meet the academic requirements will receive tailored support to calibrate their curricular load at Sec 3, which includes reducing the number of subjects offered and/or offering selected subjects at less demanding level.

- Termly result slips will be issued to keep parents/guardians informed of their child's/ward's progress. Please note that Form Teachers may meet or speak with parents/guardians of selected students following the release of termly result slips.

8. Should you need any clarification, please feel free to contact your child/ward's Form Teacher. We seek your support in ensuring that your child/ward prepares well for all assessments.

Warmest Regards,

**Notes**

- All PPs will be conducted during curriculum time (i.e. during timetabled lessons for the relevant subject, unless otherwise stated)
- The duration of each PP will typically be 45 min, with minor differences based on individual subject requirements.
- Subject teachers will inform students of the exact assessment dates nearer the relevant assessment window. Teachers will also inform students if there are any changes to assessment windows for a specific subject.
