Key Pointers for Students on ITE's Joint Intake Exercise (JIE) for Admission to Nitec Courses

ALL N(T) students and N(A) students (who are not progressing to 5N(A) or repeating 4N(A)) are eligible for JIE.

Keen competition for Nitec and Higher Nitec courses, so use all 12 choices wisely!

Participation in Main Phase is key to secure a place in ITE!

If you are keen in the work & learn option, you may consider applying for the ITE Traineeship programme. Do apply in the Main Phase to avoid missing a place in ITE!

If you are unsuccessful in EAE, make sure you apply in Main Phase to avoid missing a place!

If you have received an additional letter, then you are eligible for the Enhanced Foundation programme (EFP).

If you are eligible for EFP, make sure you apply for the 2-year Nitec and 3-year Higher Nitec first before applying for EFP!

The EFP helps to build the necessary literacy and numeracy foundations that will enable you to successfully complete your Nitec course!

If you are counter-offered a course, accept it first before appealing for another course you may be more interested in!
